“ Jason, my brother, I'm going to dearly miss you! We didn't see a lot of each other due to the military lifestyle I married into but I certainly never thought in my wildest dreams I would never get to see you again. I will be praying for your sweet girls and keep in touch with them. You were so loved by so many- we just all hope you knew how much. 'Til we meet again, -Your sis

I cannot imagine the pain you are going through now. We just read this in the newspaper, and realized we had missed the service only by hours. Know we will be thinking of you in the days to come.
