“ *" MOODY! " That's how I knew him. I knew Moody, I came to know Moody through/with Bryan. I met Moody, I met Bryan at the same time at Berry Shoals Apts. in late 2019. I worked next door at River Falls Apts. When I first met both Moody and Bryan, I knew these 2 were unique characters. But along the way as we all worked together on mutual properties, we all became friends. There were many occasions. Long story short; I had the great pleasure of knowing Moody, working with Moody, learning from Moody, hanging with Moody, laughing with Moody, and being friends with Moody! In the work place, he saved me on several occasions. He was just such a genuine swell guy. It pains me knowing that you're no longer with us.*

So much to say, and so much pain to carry.

To " MOODY ", may you Rest In Peace. To Moody's entire family; OUR DEEPEST and SINCEREST CONDOLENCES! We're gonna miss you, and we love you brotha! God bless Moody along the way.

Respectfully,

Juan Llossas
