“ To the Huff children,  
Sending you sympathy during this sad time. I have fond memories of Jay who often visited the RHS library after Pat passed away. He was always so friendly, and he had a great sense of humor. He was truly one of those people who never met a stranger. How fortunate you all have been to have had two very special parents.

“ MAJ Waldrep,

*I was very saddened to hear the news of the death of your father. My thoughts are with you and your loved ones during this difficult time. Mr. Huff enjoyed showing the National Guard newsletter to everyone he knew so he could tell them how proud he was of you and your service. I know you will miss him greatly. During this difficult time, I hope you will draw upon your own strength and the strength of loved ones who hold you in their thoughts. If we can be of assistance to you and your family in any way, please know your National Guard Family is here for you. You and your family remain in thoughts and prayers, Ma-am. “ I offer my sincere regret of your family's loss. Mr. Huff was my seven grade teacher and a true mentor to me. He watched me grow from a 7 year old golfer to playing on the high school team. I heard many stories of his children growing up while I was at school and the golf course. He directed my life in so many ways and kept me focused on my life goals during my high school years. I know he loved his family and he will be missed by many.

God Bless Him
