“ Dear Amy and Emily,

I would like to offer you and your families my deepest sympathy. I knew your Dad from the early days back at Park Central on Pleasantburg Drive, working for James River. As you know so well, he was a blessing to be with, made friends wherever he went, and was a great colleague.

I can imagine how much you will miss him, and also understand the emptiness which can only be filled with happy memories and the passing of time. All of us who worked with him will never forget him.

Your Dad could tell a story like no other, and if you remember hearing any about Amsterdam, New York or Bethune, South Carolina, I was lucky enough to be part of those adventures.

*With sincere condolences and best wishes,
Mark Berman.*
