“ *I knew Jayne and Kim when they were very young because their mother, Audrey, was my teacher at Byrnes High. I loved Mrs. Bowers and her class and went on school trips with her. Jayne and Kim went too, and I would help her with them. I kept in touch over those early years, and she was always so proud of the girls. I'm so sorry to now learn of Jayne's passing but know there is a wonderful reunion in heaven. My sympathy and prayers to Kim and her family.*

“ *Jane & I became friends when she would visit my Mother at Piedmont Lutheran Nursing Home years ago. She spent a lot of time visiting and bringing cheer to the residents there. They loved her and looked forward to seeing her. My sympathy is with those who are grieving her loss but I smile to think of where she is and that God has made her well again.*

“ Loved my sweet cousin, Jayne, so much! We are both night owls, so for fun we often texted or chatted at night. I admired Jayne's bravery and tenacity as she confronted her health conditions.

Jayne will be missed by many!

“ Kim, and family members, I am saddened to hear about Janes passing. She fought a good fight for a long time. I have so many fond memories of Janr and your family from childhood neighbors to growing up and still being neighbors until circumstances changed. Jane had a positive attitude, she never gave into the things that had come her way. I had a tremendous amount of respect for her and tried to encourage her when she would get another report with not so good news. I would be the one who would be encouraged by Jane's testimony and her never give up drive. Her will and thrive existed and her ambience exhibited her walk with Jesus was real. She's in no more pain and may you be comforted by knowing others care. May God's love, mercy and peace comfort you during this difficult time.
Sincerely,
