“ *To the Family of Jean Allen:*

*I met Jean when she and I were out-patients at M D Anderson, a few years ago. We spent hours talking about things she loved in life and her grandchildren were at the top of her list. Jean was so happy doing just things's with Amanda's daughter.*

*She loved visiting in the Carolina's and told me of visits on the 4th of July and going boating.*

*I can't tell you how much I miss her calls and her asking me to visit her in Georgia or Florida. We often talked about feeding the ducks who waddled past her place.*

*May God's Healing Grace be with you each day.*

*I had met Jean at M D Anderson, where we were both obtaining treatments. Our friendship grew over a very long evening of discussing a wide range of topics.*

*We called one another for support and then that horrible day when I left message after message and suddenly the phone was disconnected.*

*I feel your pain, but mind is so shallow in comparison to your loss. I miss Jean so very much.*

“ *We were deeply saddened by the news of Jean's passing. Pam and I were neighbors of Jean for a number of years before she moved to Decatur. it doesn't seem that long ago when Jean could be seen contentedly working in her yard of beautiful flowers. We were privileged to have known such a gracious, southern lady. I know Jean had a difficult time with her illness and we sincerely regret not having been in touch in recent years.*

*Our thoughts and prayers are with you all. Pam and Jerry Steelman*
