“ Dear Tricia,

I am so sorry to hear about your Mother passing! Even though many years have passed us by, I will always have fond memories of your Mother and Dad! Your family made me feel like the luckiest kid in the hood back in the day, riding your super-cool mini bike, horse back riding and my all time fav... going to Gatlinburg for the very first time! Your Mom even took me along with you to Westgate Mall for my very first time! Through out the years I've thought about your family often. I tell my children how much fun we use to have at your house. I will never forget how Lewis use to pin you to the living room floor till you cried when you would pick a fight with him! (lol) Your dear Mother would always tell him, "ok now! That's enough!" Jeez, those were awesome times! Always remember memories do last a life time. I send to you my old friend my deepest sympathy! I miss you. If you ever come through Lyman, please, please stop by.
