“ Shane, Tonya and your families, our mothers worked together at Southern Home State Auto many years ago. My mother considered her to be dear friend. I am very sorry for your loss. I do know the smile she had here on earth was beautiful, I can only imagine how much more beautiful it is since she's seen Jesus.

My Thoughts and Prayers are with you.

“ It is hard to know where to even begin to honor my Aunt Jean. She was literally the living definition of kindness and selflessness. I will forever cherish the memories of our family get togethers with our cousins at her house when I was growing up. As an adult I will never forget how she cared for my mother, Jean's sister Carolyn, when she was in need during the last years of her life. Simply put she was a saint with a pure heart and a role model to all of us. We love you.
