“ Jean,
There are too many memories to share but my 2 favorites are us making Chocolate Pecan Pies every Christmas until we were sick of looking at them and making sure Grandma Hipp's was hidden away so she didn't eat the whole thing. The second is the time we were fishing, Papa Don took us to an island because we both had to pee. Neither one of us saw the goose and she about flogged us! Never seen you run so fast! You and I have had some bad times too but, to me, the good far outweighs the bad. Love you Jean and I pray you're enjoying your reunion with family! ❤️
