“ Something that comes to my mind seems to be her laugh and her smile. She was precious!
She's no longer with us, but God can bless each with their own precious memories of her.
God, in his time, and in his way, "He healeth the broken in heart, and bindeth up their wounds."
It may take different amounts of time for different people, but God is a One on one God,
and is able to help each individual. May it be, in Jesus' name!
