“ Just seen where Ms. Jeannie passed away. I worked with her at Community Cash in the late 70's. She was always there with a smile and treated everyone with respect. It's hard to believe it's been 50 years ago. May she rest in Peace in the arms of our Lord.

“ The best memories of my Aunt Jeannie is going to her house on Christmas mornings to have breakfast, or going to her house in the summer for homemade ice cream. My Aunt Jeannie was very talented playing piano and the beautiful singing voice she had. I am fortunate enough within this last year that I got to go to church with her and lunch afterwards. I will miss her but I know that she is happy in heaven reuniting with her husband and my uncle, Talmadge Crisson and getting to see all of her family that has went on ahead of her to the Lord. I love and will miss you Aunt Jeannie.

“ I was blessed with the opportunity of spending time with Jeannie. Though it was only a short time, she became dear to my heart, and I will miss our time of doing word finds, and listening to gospel music. I also was blessed to spend time with Beth, feeling as if I gained a forever friend. My heart and prayers go out to the family during this time. Jeannie was a sweet soul that will be missed.

“ I was so fortunate to have known Ms. Jeannie for the short time that I did. I feel that she and I could have been great friends. Even in our short acquaintance I found she was a very caring and genuine person. Thank you, Beth, for the opportunity to help care for your mother. I will miss her. ~Micah Kerby
