“ Jeff was a 24/7 friend, he was there any time you needed him. We spent lots of time hanging out at the gun shop talking life and politics. I'd go help him with AC work sometimes and he'd always walk out with a half frozen 2 liter Diet Coke, I think we probably solved a lot of world problems those days. He was one of those friend's you could talk to for hours , I know he was a proud grandpa and father . I'm gona miss you buddy. There's a song , Horses in Heaven that makes me think of you, I know your riding that palomino with your black cowboy hat on in the pastures of heaven . Always your friend, Steve Roberts
