“ We are s very sorry about your great loss. Remember we are your family even though we don't see one another very often. It only seems like yesterday when God blessed us with the gift of our children. I remember Aunt Mary and my mother sitting around talking about them with so much love. You will have wonderful memories. God bless and know I am with you in spirit. We are sending a memorial to the church. Bobbie Clem and family

“ Just cannot get a grip on this. I prepared his tax returns for 25 or 30 years, and he was just in my office about 10 days ago. We talked about him cutting back on his building, buying another rv, and his spending much more time with June. He mentioned even buying a lot in Preswick and building a home for June there. He was far more than a client, much more. We talked 20 or 30 times a year. This is surreal. May you Rest In Peace Jeff, and many prayers for June and Dot.

“ *My sympathy to the Clark family. Jeff was a very kind person. I am so shocked and my heart is broken. I have been friends with Jeff for a very long time. I also took care of the building permits for Palmetto Builders. Any time he needed help with his inspections he would call me. One of his best friends was also one of mine. Jeff you and Deryl ride high in heaven.*
