“ Jeff's loud voice and hilarious jokes will be missed at our family gatherings. I always enjoyed seeing him care for his granddaughters. I could tell he was a big softie towards them! Absolutely love Uncle Jeff. Will be praying for the family. Please let me know if there's anything I can do.

“ Jeff lived out daily a powerful testimony of servant leadership as he followed Jesus Christ! Jeff loved his wife and family and was so thankful for them! He was a faithful friend, team mate, coach, husband, father, brother, son, grandpa and prayer warrior! Jeff has passed his legacy off to all of who were blessed to be a part of his life!

“ *Shelby and Keith , I am so sad about Jeff's death . What a great kid he was when I had the pleasure of coaching and being around him. Have not seen him since his Eastside days, but will always remember taking him to his first USC game and how he enjoyed it. Jeff and my brother Carey are probably talking baseball in Heaven right now !*

“ Dear Kim, Josh, Jessie and Ty,  
Needless to say I was floored by the news of Jeff's passing. You have all been in my prayers these past few days. I am so glad that I was able to talk with Jeff a few months ago. All we talked about was our grand kids and how wonderful it was to be a grandpa. I will always treasure the times we had at Emerald both on and off the field and court. He had a way of making a sometimes dreary work situation enjoyable. It is my prayer that the sorrow you feel be eased by the love that surrounds you.

“ Dear Kim and family,

*My wife Kathy and I were so sorry to hear about your loss. Jeff meant a lot to me and many others as he was a knowledgeable and patient mentor during our time together at Habitat for Humanity. He always had a kind word of encouragement sprinkled with his own brand of humor. It was obvious that he genuinely cared for the families he was helping and his attitude was contagious.*

*I will always fondly remember Jeff and hope that as time passes and the wounds from such a tragic loss heal you will also be able to reflect on the positive impact he had on so many people.*

“ To : Kim and family.

*It is with deep sorrow that we heard of Jeff's passing. We have known Jeff from our Habitat Construction days. He was a great friend and a great mentor during those days. He always had a kind word for all of us and was always there to help us during some of our difficult project construction issues. He was always the last one to leave the sites. Words can express your sorrow but he is in a better place now and is no longer suffering. God bless you and your family in this difficult time.*
