“ *Ralph and your Grandchildren: Our heartfelt sympathy to you in the loss of Jeff. Sandy was our classmate and we would see her and Jeff from time to time and he was such a delightful child as she was a beautiful person. May your many memories keep him close to your heart where love still grows and we pray God's love will surround you with His strength and peace during this sad time. May God bless each of you. Sent with our love, Linda & Clyde Roberts*

“ *First week at the beach, trips to the BK lounge, basketball games, hanging at The Bridge...Maybe everything did not turn out perfect, but it was always fun and interesting when you were involved, Jeff. Lots of good times and good memories. You will be missed, buddy.*

“ Jeff was my first baby sitting job. Watched him each Saturday for Sandy & Ralph, which in turn led to twice a week. Watched that little boy grow up for several years. He turned me on to School of Rock/Confunction Junction! Beautiful child. Talked to him several years later and he said he always thought of me when he watched "that 70's show". So, so sorry to hear of a life cut short. He will be missed. My thoughts and prayers with all of his family.
