“ *I met Jeff when he was in my math class at Greer High. He always came into class with a smile! The next year he asked me if he could help me during his study hall time. He helped me file, staple worksheets together, run errands, and whatever else I needed done. He was the best helper! He would talk to me about sports and he knew all kinds of statistics about teams and players! I was amazed at how much he knew! He was a kind soul and will be missed by many. May God wrap his loving arms around you and bring you comfort in the days ahead. Love you all. Pam Waters*
