“ Dear Ones,
Our lives are filled with memories of wonderful people that we've known thru the years. Happy moments for me were the times spent on "Rainey Road" at Uncle Rob's home and sometimes at "JT"s, and sometime at "Grandpa & Grandma" Rainey's home. So you see I have known, respected and loved Rainey people all my life. I thank each of you for good memories.
May Our loving Lord continue to bless each of you.##imported-begin##C. Alton Brown##imported-end##

“ Dear Rainey Family,

Please accept my deepest condolences for your loss. I am a member of the Coed 14 class at Rocky Creek where Jeff had been attending. He was such a sweet man. He was always smiling and always spoke when he met you in passing. I sing in the choir and would see Jeff every Sunday morning and Sunday night sitting in the same spot towards the back on the piano side. I noticed he was not there Sunday night when the choir came out. I will miss seeing his smile out there. The last time I saw him was Sunday morning. We talked while we were waiting for our boys to get out of Sunday School. As always, he was smiling and having a good time. I will keep you all in my prayers and will always remember Jeff. God bless you all and may you feel his presence in a very real way in the days to come.

“ Dear Rainey Family,
I know that there are no words I can say to comfort you in your time of sorrow. Only our Lord and Savior Jesus Christ can do that. But, my family and I do want to offer our condolences in the lost of Jeff. I went to school with Jeff beginning in kindergarten through graduating at Blue Ridge High School. Jeff was a very sweet guy and well liked by everyone. Jeff always had a smile on his face and showed pride in everything he did. I remember back to our Blue Ridge football games and Jeff playing in the drumline of the marching band. He will be missed not only by me but, I'm sure all of our classmates of the graduating class of 1986. May God bless you all and comfort your hearts in this time of sorrow.
Sincerely,
Tammy Poore' Mason###imported-begin##Tammy Poore Mason###imported-end##
