“ Gram, I can't imagine life without your beautiful smile and all the special times we shared as a family meals,trips just sitting talking, My most favorite times with you were when I would walk in the door of your home and you would say Get greta a cup of coffee it was the best coffee I don't know how you made it taste so good. that will stay in my memory forever. One other memory I want to share is our last trip as a family to the cabin for thanksgiving you wanted so much to see the bear al and I saw. we named him billy bob we sat outside in and out for two nights no sign of billybob but you and I got chased by a skunk, we ran in the cabin fast that night . I love you gram with all my heart##imported-begin##Greta Williams##imported-end##

“ My grandma was the best it is hard to believe that she is gone. She always made everybody happy and every time you walked in to her house it smelled like food. She always came to my football games and cheered for me and it made me happy. I loved my grandma always and for ever###imported-begin###David Williams###imported-end##
