“ No one called 11/1 sad.....

There is alot I could say about dad...He made so many memories with us.... He made us laugh and cry... I remember him running into the livingroom saying that Andrew lifted a huge rock and through it into his little pond he made... We laughed when grandma Brown burnt the toast and grandpa was running to open the back door. We had so many memories with him. Receintly we took a special trip and spent the afternoon with him. He had inspired our son Andrew to be a carpenter. My son Andrew says he will still be one even though grandpa is not around. I guess my saddest time would be that they moved away to SC.. they were not happy there and longed to go back to FL. He will never understand the impact he made in our lives. I am relieved that he is not suffering and that he is with our Lord. We are miss you dad.. See you soon.##imported-begin##Kelly Yates##imported-end##
