“ A family man,one who put them first,always quick to smile,advise,comfort,and correct when needed.My first memory is a man,working hard to provide,hands rough,arms open to embrace,soft words to encourage or correct...what ever was needed.A provider who made sure his family came first,their needs before his own,a man dedicated to working hard,playing harder,and taught his children respect for one another,love to everyone,and a strong faith and guidance.RIP
