“ You will always be remembered and never forgotten. I can see you now as you used to be upon this earth, always a smile on your face and laughter in your heart. I cannot ever remember you having a bad thing to say about anyone, that is one of the things that made you stand out in a crowd. I know my dad loved you more than anything on earth, please give him a hug for me. I loved you so much even though we had a difference in age. But you were like a brother to me and my sisters. My God be with your family in this their time of sorrow.

Your younger cousin,

“ What can I say about Uncle Jerry? He was the very best of men. I have wonderful memories of him which I will cherish forever! I will always remember his intelligence, sense of humor, and his love of family. I always thought he was so very handsome and always smelled of Polo. He was very much loved by all who knew him. His passing leaves a huge hole in my heart, but I will remember him always as my favorite uncle. It was a privilege to be closer to him these last few months and try to offer encouragement for his fight with cancer. I pray that someday a cure will be found for every form of this horrible disease so that no one else will have to suffer. My love goes out to Aunt Cindy, David, Ann, Jake, and Josh. To them and our family here in Arkansas and California my prayers are with you. To Uncle Jerry, I say goodbye until I see you again in heaven. With all my love,
