“ Dear Louise,

I am so sorry for the loss of Jerry. My thoughts and prayers will be with you and the family.

Please know that I have very fond memories of my relationship with Jerry. We had many good years together as friends that means a lot to me. Jerry was my right hand and appreciate all that he did for me over the years.

It is a comfort to all of us that knew Jerry that we will see him again someday, and I know that means everything to you and your family at this difficult time. But for now, embrace your grief, it just means you loved him.

Please let me know if there is anything I can do for you and the family.

“ Louise, Debra, Sandi, and Treasa, I am so sorry for your loss. It is never easy and although I have only met your dad a couple of times the way everyone has talked about him I know he was a good man that loved his family and the Lord. You all have a good family and are so close so I hope that will bring you comfort. My heart goes out to you all. If any of you need anything please call me. I love you all.
