“ Donna, Lynn, Teresa, Van, Sandra,
I am very sorry to hear about your Dad. I am sad for you and your family but so happy for him. He is in the presence of the Lord. What a legacy he leaves. A life well lived. He touched so many lives in his many years in ministry. He always took the time to talk with me about water treatment and the time he worked at a water plant many years ago. He will be missed but I am so glad to have known him. I am praying from God’s peace and comfort to surround you and your family.

Love you all,
