*Dawn, my thoughts & prayers are with you & the family. My thoughts go back to all the beautiful bird houses Jerry made and donated for all my silent auctions I used to do at work for the Relay for Life to support the American Cancer Society! He had a heart for helping others & it was always appreciated.*

*Dawn, Kimberly and family. I know this is a very difficult time for all of you. When I think of Jerry I think of a humble man and of course his love for the Clemson Tigers. Memories are God's gift to us, they will make you cry, laugh and smile all in the same minute. You all are in my prayers and you will be with Jerry at another time. He can't come to you but Jesus provides a way to go to Jerry. Love to your family.*
