“*Mrs. Vaughn, I knew Jerry for years due to a mutual like for walking - Westgate Mall will never seem the same. We also shared a health concern (Atrial Fibrillation) and would often compare notes concerning the condition. I'll never forget how he enjoyed going on cruises and he went on many. He was a delight to have known having been a casual friend for all these years. My deepest condolences to you for your loss and please extend my best wishes to his kin. He will never be forgotten.*

“*Please accept my sincere condolences on your loss. I remember Jerry from when I was a First Office Agent in Columbia in 1967-68. I learned how an FBI office operates from Jerry who was always willing to spend time with an inquiring First Office Agent. I spent many hours after normal duty hours and on weekends "learning the ropes" from Jerry. He always had time to answer my many questions. RIP*
