“ *I remember the homeschooling years and how I marveled at the computer Jesse built. We all cheered to see Caroline race in a swim meet and laughed at the jokes in the Home school newsletter. Those were precious years with our children. I'm so grateful Julie and Mike encouraged me to spend that time with my children as well. Much love and prayers, John and Jeanne Pasch*

“ I've known Jesse for a few years by being a part of the media team at Taylors. Jesse was a truly wonderful person. It's difficult to come up with the right words to say when a friend is suddenly gone. We will see Jesse again one day. So it's not goodbye, but see you later.

“ Jesse was one of my very few best of friends. We didn't spend much time together as the years went by, but the time we did spend together was priceless. I will always remember how much he make me laugh and the silliness we would bring out in each other and how Tara and my wife Cat would just roll their eyes at us. Jesse's influence on me spiritually and musically and just as a friend will always be with me! I will miss him, but I take comfort in the fact that he is at the ultimate destination, with our Lord Jesus Christ!

“ I'm so thankful that I've had the pleasure of knowing Jesse & for how happy he made Tara & the kids. I know Saturday will be a time of worship and rejoicing that he's now in heaven without pain but I feel such sorrow for Tara's loss.
