“*Davaa and Yvonne, I am so sorry to hear about the passing of your precious Mother. I remember how very kind and loving she always was. I also remember every time that I would come to your house, we would make our version of pig in the blanket as apparently, that was the only thing knew how to make. I actually still make them today and every time I do, I think of you and your Mom and Dad. You were so blessed to have had such loving and caring parents, and I was so blessed to have spent all the time I did with you and them when I was young. I pray that God will give all of you the comfort and strength you will need in the coming days, months and even years. Romans 14:8 - "If we live, we live for the Lord; and if we die, we die for the Lord. So whether we live or die, we belong to the Lord."*

*With all my love,*
