“ My utmost condolences to the family and friends who loved her. I didn't know her for long, but she was a very sweet, intelligent woman who had an awesome sense of humor. It was a pleasure to get to know her and she will hold a special place in my heart.

*“ I had the pleasure of being part of her life over the last few months. She had a beautiful soul, very special, and strong willed. She did not mind telling you what she thought. She was a fighter to the bitter end. My heart goes out to her family and friends. Tim and Melissa you both did a wonderful job taking care of her. No regrets you both did your best and she loved you all. May God give you all peace and comfort during this time. Until we meet again Ms. Kay! With love, Kris Madala, RN*
