“*Jewel became a real member of our family as she cared for my maternal grandmother and my mother in her last days; she was always so caring and gentle; I came to love her very easily; my nephew, Jonathan, also adored Jewel, as she sat with him in his early teens; What a remarkable person, and she made the best pound cake and relish in the world!!!!!!! Prayers are with her and I know that she is rejoicing in heaven at this very minute back in touch with her loved ones.*

“*Jewel was such an awesome woman. She kept my grandmother when she was ill and became like a mother to my mom Linda and her sisters Pat and Billie Hope. She was always so gracious to me and my family. I know Jewel and momma(Linda) and Billie are having a good time catching up on everything!!! They are all probably still talking....at the same time !! My prayers are with you all.*
