May that special place that you have in your hearts for your mother, now seemingly empty, be refilled with the memories of a life well lived, values and lessons taught by example. With the knowledge that God will sustain you during this time of loss, our thoughts and prayers are with you.

“ I work with Dr. Fred Mullinax and smile when I think of the story he told me about Mrs. Jewell, his mother, asking him if there would be a chance the Army would accept his father back, taking him out of retirement.

Though I never had the opportunity to meet Mrs. Jewell, I feel like I know her, through the fond memories Dr. Mullinax shares. I'll sure not forget her name, Jewell was my maternal grandmother's and it is my daughter's middle name.
