“*Jewel from the first time you laid eyes on me, you and your whole family welcomed me with open arms. Years may have gone by with seeing you and the family but you have always remained very special to me. Such a late post because I didn't know. I love you. RIP. Love Ann Jones*

“*My love to all of Aunt Jewel's family...Uncle Billy, kids, grand kids & great grand kids. She was a special lady & I know you all have broken hearts. My heart just aches because I know how you all feel. When Daddy died I thought I would never be able to go on. With God's help & my family I have been able to go on. God gives you strength when you least expect it....I still pray for strength daily. I know where Aunt Jewel is....she is in heaven with her loved ones that have gone on. She loved you all so much and you were her life. Please stick together like glue and never cease to feel her loving presence beside you each day. Because she IS beside you all and when you just don't think you can face another day, lean on her spirit. It will be there for you. I love her and I will never, ever forget her. If any of you need to talk or need anything I can do for you, please don't hesitate to call.##imported-begin##Dennie Reed-Garrett##imported-end##*

“ Hello my wonderful moma,
You tried so hard to be everything to everyone. YOU SHOULD KNOW MOMA YOU WERE EVERYTHING TO EVERYONE !! I miss you so much. As it is always said I wish I had one more day to spend with you and express my love for you to you. I let so many opportunities slide by not realizing that the day I last saw you would be the last. My heart breaks trying to remember if I said I love you that day and if I hugged you bye. If I didnt I'm so sorry moma, I LOVE YOU, B.J.##imported-begin##Billie Jo Shifflett##imported-end##
