“ So sorry to hear about Jill's passing. I met her years ago while working at the bank. She had that unique ability to be able to talk to anyone and instantly make them feel like a lifelong friend. Her love for animals was evident as she always brought her fur baby with her. Rest In Peace my friend. To the family I offer my prayers! Jill will be missed by all who were fortunate enough to know her.

“ Jimmy and family, I was so sad to hear about Jill. I thought alot of her. We just hit it off years ago when I first met her. I came to your home to do ceramics. The friendship grew from there. She had a "HEART of GOLD". Each one of you will be in my prayers. I will miss her smile and Im thankful to have memories.

“ Jill was a wonderful caring person. She was a joy to work with at the Greer post office. She often talked about her family and her love for pets. Was so excited when she finally got to pursue her dream of working with dogs and owning her own business. I loved her frankness and I loved her. Praying for all her family. ❤️
