“ I still miss my daddy SO MUCH! I think of him every single day. What an honor God gave me to be his daughter! There’s no one on earth that I’ve ever loved more than you! You taught me so many things that I still do to this day. People still tell me stories of how you helped them one time by giving money, time, or letting them use your equipment and wouldn’t charge them a penny. You never told us. You just did it for the right reasons. I love you and will see you again!

“ A wonderful man. Had the pleasure of meeting him for the first time when he hired me as a mechanic at Celanese, now Mitsubishi. A hard working man who loved God and lived it in his life. He will surely be missed but has now received his reward, home with Jesus.

Love and prayers for this family. 🙏🙏🙏🇺🇸
