“ So sorry to hear of Ansel's death, my prayers are with you. Our families were next-door neighbors when he was five or six years old (Duke St., Dunean Mill, Greenville). My parents, Mahoney and Bertha Lambert of Woodruff, kept in touch with Ansel's parents as long as they all lived, but I have lived out of state most of that time; sorry not to have kept in touch, but still remember his visit while on leave when he was in the Navy. My prayers are with you...if there is anything else I can do, please let me know.
