“ *Morris & Jackie,,
So very sorry for your loss. I will surely miss her also. She was very special to me. She has had a tough battle but now her battle has been won. I thought Sunday as I listen to the choir, that Jimmie Lou is singing alto in heaven's choir. She loved music and love to sing. May God give you strength each hour and day. It is a tough battle. You are in my prayers.###imported-begin##Dot Mills###imported-end##*

“ Morris (and Jackie),

It was with great sadness that we learned of Jimmie Lou's passing. She was always kind and thoughtful of us all and I have greatly appreciated that through the years. I can vividly recall your "dating" days and everyone encouraging you to "marry that girl" (some more than others).

Since this is the first day of classes at Elon, I cannot attend the services, but felt compelled to express our condolences and let you know that we are thinking of you both! Please take care of yourselves and know that Jimmie Lou is in a better place and at peace.

All our sympathies,

Jim and Brenda Drummond###imported-begin###Jim and Brenda Drummond###imported-end###

“ *Morris and family,
Saw where your wife had passed on and wanted to let you know that we are praying for you. We are still doing missionary work here in St. Lucia but saw the obituary online. I really enjoyed my time of working for you as a delivery man and mechanic. We pray the Lord will comfort your heart as only He can.
