“ I will always remember Daddy’s impish sense of humor, his awesome dance moves, his beautiful blue eyes and his huge heart. While I’m sad that I can’t be there with my family during this time, I am thankful to have spent five days with them and him in SC two weeks ago and will be forever grateful for that precious time. He was an incredible gardener, a fixer of all mechanical things, an amazing man, an adoring husband to my mother, a loving father to the six of us kids, and we will miss him dearly.
