“ I am truly sorry and sad for your loss. Kenny was my first high school boyfriend, and later in life, he and Barbara remained in touch with my family throughout the years. I will always choose to remember him as I knew him at 16 - full of life, joy and love. He was a bus driver for Greer High School and had a great Camero. He took me to my first Christmas Ball at Greer High School, and Jan made my dress. It is strange now to think of those things from so many years ago, but I'm grateful for knowing him during that small period of his life. I wish much peace for the family - My thoughts are with you Jack, Jan, Barbara, and Nicole.##imported-begin##Lisa Sharpe Nied##imported-end##

“ Barbara,
Words cannot express the sorrow that Kristen, Tony, Josh and I feel. It's hard to believe it's been 20 years that we spent all of our day's together. Kenny will always be remembered in my heart as the guy I saw laugh and smile. I love you and Nicole and your family so much. I'm so glad I got to be there at least for the visitation. If you need me even if it's 2 in the morning you call and I mean it. Or have Cindy or your Mom call. I'm here for whatever you need. I love you,

“ Fond memories of you all stream through my mind today and the days when my parents (Bobby and Louedith) were close to you guys. I can remember Kenny and how he seemed to act as a big brother to me at times. I can't even start to know how you both feel.....I just want you to know that I am thinking about you both, and Granny Brown today. I will pray for you today.
