“ Dana and Jodi, I am saddened to hear of the loss of your mom. I worked for several years with Joan at Faith Printing Company and we always worked together in the typesetting department. I have fond memories of her, like when we used to get outside the building at 10:00 and 3:00 breaks and we would all hoolahoop together for 10 minutes twice a day. Joan actually taught me how to hoolahoop, because I had never done that before! I think that helped us to keep our weight off! I know she will be greatly missed by all that loved her. You are in my thoughts and prayers.
