*Joan was a special friend and coworker! Always thoughtful of others and their needs. She loved her family!! Always talking about them and never complained about taking care of Daryl and her mother! Joan left a godly legacy for her family and friends and anyone she can in contact with! I was glad God let me a part of her life even though a short time!! My prayers and thoughts are with the family.
Love in Christ.*

“ Lisa, Stephen, Rachel, and Aunt Debra: I have no words to say that will make the pain go away from your heart. The numbness and emotions you are feeling right now is real. I can share with you that in time it will get better as you learn to adapt how days, nights and life is going to be different. Joan was so many things to do many people and she touched others with her charming smile, gentle voice, encouraging words and her childlike laugh that could brighten any day. Hold onto these things and all your great memories and love and she will always be here in presence and in heart. We will be praying for you today and the days to come for strength, mercy, grace, and love.

“Joan was such nice lady and I will miss the small talks I had with her in the neighborhood. She never missed the opportunity to share positive words of encouragement.
