“ *Joann and I worked for Mountain Bell in Cheyenne Wyoming together. Both of our husbands were in the Air Force. Joann went with me on my first trip to the commissary to show me around. We were there at the Bell system through the divestiture and ended up working for AT&T. Joann took a transfer back to South Carolina and my husband and I left Wyoming a year later. Without the internet we lost track of each other. We reunited last year and we had so much fun. My only regret is it did not happen sooner.* ”

*I met your mother when she came to visit Jo. She was so nice. I took her up to Estes park on one of her visits.*
