“ *Ronnie and Danny, the service for Joann today was a beautiful tribute to a beautiful lady. She will certainly be missed but I know you will carry on taking care of your dad just like she would want you too. I thought that was wonderful what Drew said that in Heaven there is no tomorrow only today, so that means you will see her again "today". I'll always remember her for being a friend to my mom at the Southern Worsted Mill and later on to my mother-in-law on all the trips that they went on. Praying for each of you as you go through this tough time of re adjustment.*
