“ I'd like to express my sincere condolences to you and your family on the loss of your beautiful wife, mother, grandmother and sister. Even though the sting of death is hard for your family to deal with right now, the Bible gives each and everyone of us the reassuring hope found at John 11:25, where Jesus promises us the resurrection which he talked about and demonstrated while he was on the earth. This scripture allows us to see that death is not permanent and that soon you will be able to see your beloved family member again. Even though JoAnn is asleep in death right now, she's not suffering and when she wakes up she will be in perfect health, living on a fully cleansed Earth and waiting to welcome back family and friends with open arms. I hope these words from the Bible provide you with Comfort at this most difficult of times.

“ We would tell our friends that our neighbor looked like Grace Kelly! She was JoAnn a beautiful woman inside and out. We admired her for so many things. One being her ability to be honest and kind simultaneously, another, for being the keystone of her family. She remains in our thoughts and hearts until we meet again. We love her.
