“ *Ann and family, so sorry to hear of your loss. I know you will probably not recognize me by my married name, but I am Daphine's daughter.. (She passed away last December.)*

Although I had not seen your mother in many years, I still remember her as so very sweet and considerate. She opened your home to us for a short time, back when we were children, and I will always remember the time spent with you and your family.
