I sure am going to miss Joe. I loved the way he would cut up with me and we would just laugh and laugh...What a great man he was. He raised four wonderful boys and if not for him I wouldn't be blessed with Joel and have the wonderful family that I have. I'm glad I was able to thank him for that recently. Life just won't be the same without you here Joe... I LOVE YOU!!

“ Joel, I was deeply saddened to hear of the passing of your sweet Father. Although there is little that one can say or do to take away all of your pain, please know that you are in the thoughts and prayers of so many. May every loving memory of him bring some comfort when the pain and sorrow seems unbearable. Praying for peace that surpasses all understanding to be with each and everyone during this “Storm in Life”. You will see him again someday, in a heavenly place where there is no parting. “A place where there are no words that mean goodbye.” God bless you all. “Joe’s son’s honored and served him well”
