“ Linda, Maxie, Scott and family - I am so sorry for your loss. I did not get to see him often but he will be truly missed. I know he and Daddy (Duck) are enjoying a big fish fry now. I love you all. Julie (JuJu)

“ Linda & family, Joe was a Joy to be around! He always was joking, and you knew when he was serious. If there ever was a FAMILY MAN, he was one. His Uncle "Duck" loved him very much. I will never forget the fish fries that we shared with him. I did not see him very often, but my love was always there. I love all of you. Nancy

“ Linda, Maxie, and Scott,
I'm at a loss for words. So sorry to learn of Joe's passing. He was one of my closest friends and buddies when we were together up there. I certainly enjoyed his association on the job and afterwards just as a friend. He was a delight to know and be around. He certainly loved his family. I will miss him even though we were out of contact for over 20 years after I moved to Georgia. I still miss Greer and my friends there.

“ Linda, Maxie and Scott...my heart breaks for all of you. I have so many memories of Joe that will always bring a smile to my face. My daddy loved him like a brother and I know they are all together now with Daddy ("Duck" to him and Gayle) wanting Joe to have a big fish fry. I can't be there with all of you this week, but my love and prayers are there. Love you all.
