“ Carol,

My heart hurts and is so saddened to learn about Joel's passing. I am so sorry. I have so many wonderful memories of Joel that I will cherish always....Rocks Pond, Pelham Fish Camp, coming to your house for cook outs and homemade icecream and Joel telling me and Sheri about the black panthers that were across the street. We would be so scared. I think he even scared himself!! Those were great times. But I am sure Joel and momma are getting caught up on old times!!! Please know that I am praying for you and Joels family.

“ *My name is Sheri Henderson Neely. My parents (Wayne and Linda Henderson) and the Hastings were really good friends, really best friends. Joel was born the day before me. Our fathers were having wheel chair races in the hallways of the hospital. We spent many many weekends and weeks at Rocks Pond Campground and Holdings Landing camping and fishing together. We spent many weekend nights eating out at the fish camp, feeding the bear.*

I didn't know of Ronnie's passing until after the funeral. I was so sad to hear of that. And now, I can't believe that Joel is gone too. I actually tried to find him several weeks ago using facebook. My sister Teri and I were talking about him and reminiscing.

I am so sad and will be praying for the family.

Much love,

Sheri Henderson Neely
