“ *Dear family, it was a honor to have Mr. Boehm teach my daughter, Stacy in school. He was such a loving, great teacher to all his special needs children. He was always on the front line making sure each and everyone of his students were taken care of and even more that they knew they counted. He saw that they were always treated with respect. I will never forget how nice he was to me and her and just how much he helped us through the years adjusting to everything. He will always remain as my daughter's hero. We loved and admired him so much. He was a great human being. RIP dear friend.*

“ *I was blessed to have Mr. Boehm as one of my teachers about 9 years ago when I was in 8th grade at Florence Chapel Middle School. He was a wonderful teacher who cared so much about his students. I have one specific memory of him discovering my name be Audrey Elizabeth, of which he explained to me was the same as his mother's name, and from then called me just that. He will truly be missed!*

“ John was a wonderful teacher and friend. I worked with him at FCMS. He gave me the encouragement I needed to be able to plan my own trip with the school band instead of hiring a travel agency. I still remember the day I was so upset when I couldn't find a charter bus company with availability. Once he found out, it wasn't 30 minutes later when he came to me and said that he had found one and temporarily reserved it for me! I missed him so much last year (after his retirement) and will continue to miss him. I am praying for comfort and peace for all of his family and friends.

“ John and I shared many stories and laughs on our long drives to Cleveland to buy cars. Never heard a foul word come from John in the the forty some years I knew him. He was a good man and a good friend. He will be missed. Rick Thomas

“ How I admired this gentle giant of a man who devoted his career to Special Education! I met Mr. Boehm when the LymAnns Club provided party refreshments for his classes in the 1970s. Later, when I was no longer working at Lyman P & F, Mr. Boehm allowed me to bring my toddler to his classroom to continue the parties. It was a joy to see him interacting with his students. I know your hearts are broken now, but be comforted knowing there is surely a special place in heaven for Mr. Boehm.

“ *Dear Annette and Family*

I am very saddened to hear of John's passing yesterday when I arrived home from Oregon. John loved his trips with the middle school students and I was happy to help him prepare for these trips. I have known John since D. R. Hill Middle school in 1994 through my retirement from FCMS in 2008. I know he will be missed by family and friends. My thoughts and prayers are for you and your family. John was truly an angel and God needed him at this time.

“ *Annette, I'm so sorry to hear about John's passing. I would always see him at the beginning of the school year and the end of the year. He would let me know how you were doing and what was going on. The last few years, we would discuss retirement. I have been retired for a year now. Hope he was able to enjoy some retirement as well. Just know that he will be greatly missed. Keeping you in my thoughts and prayers.*

“ I had the honor of getting to know John late in his teaching career, but he treated me like an old friend. I pray that his family will find peace in the knowledge that he touched so many lives in the same loving way he did mine.

“ I just learned of John's illness last week, and now I am deeply saddened to hear of his passing. I didn't know John well, but had heard SO many wonderful things about him through the years while I taught at Reidville with his good friend, Linda Fultz. I also knew that he made a huge impact on his students for so many years in District Five. Please know that I am lifting your family up in prayer during this difficult time.

“ *Words cannot describe my sadness for the loss of a good friend, John Boehm. During my middle school years, I could always count on a smile....joke...hug...words of encouragement....or positive attitude from Boehm. And his ability to orchestrate a trip for hundreds of people always amazed me!!! I will miss you my dear friend.*
