“ *Kathy, Shane and Family: We just wanted you to know that we truly didn't know about John's passing until after the fact, or we would have been there. He was such a great man and friend. When Daddy got sick, John always made time to talk to him and make him feel better. You attending his last birthday party was one of his happier times in those last months. John will certainly be missed by many. Just know that now they're up in Heaven together, watching out for the rest of us and having a great time.*

Praying for you,

“ *Kathy and Family, I am truly sorry for your loss. John is one of the few who attended church no matter what he felt like that day, he was going to be in church. John always had a kind word, never complained, but smiled and gave a loving hug to everyone. He lived the example of how we all should live for Christ. Kathy, I love you and I am praying for you and the whole family.*

“ Dear Kathy and Family,

I will forever cherish the times that you and John have spent with our family. I know the last couple of years were difficult at times but he never seemed to show it. He was always a joy to be around and full of kind words. He will be forever missed, our loss is heavens gain!

Sincerely,
