“ So very saddened to have learned of John's sudden passing. He and Stephanie were very influential to me in my formative years at Central Baptist Church in Winchester, KY many years ago. Like the entire Cowan family, he was the epitome of kindness and a wonderful role model. My sincerest condolences to Stephanie, their children, his brothers and their families. Heaven has truly gained an angel.

“ I am very saddened by your loss, John was a wonderful person. He was an excellent Christian influence for me as a young man coming out of High School and going to college. I don't know that he knew how much of an influence he had on my life. I have terrific memories of playing softball and many other church activities at Central with John. I only saw him a few times after he moved from Winchester but his strong Christian influence remains with me. I will be praying for your family as I know he will be missed.

Looking at the pictures of John and Stephanie brought a smile to my face. Thanks for being a Sunday School teacher to the youth at Central Baptist Church.

Blessings to Stephanie and the family. John was a good friend in high school and always lived a life exemplary of his walk with Christ. I had lost contact with him since you moved from the area. It is good to see some pictures which bring back good memories of his great sense of humor. He doesn't look like he has changed much at all. He still exhibits the manner of that funny, gentle, kind brother I knew in high school. I'm so sorry to hear of his early departure from this life. It's really tough to loose someone so dear and it is okay to admit it. God's shoulders are much bigger than we believe at times. You can share your most intimate thoughts and disappointments with God and He will understand. May God fill John's place of Husband and Father to all of you who are hurting. May your family be strengthened by God as you go through this time together.

“ Stephanie, Sarah and Seth, I just heard the news of John. Like his mother and father, he was a true servant of the Lord that was made all that much stronger when he and you married and began serving the Lord as husband and wife. Many good times as John, his brothers and I grew up at Central Baptist Church, from playing volleyball, basketball and softball, to John teaching the college and career Sunday School class. Stephanie, you and John were wonderful role models to those younger than you, especially to Jennifer and I.

“ I met John and Stephanie in 1978 at Central Baptist Church, Winchester Ky. We were involved in interpreting for the hearing impaired in the deaf ministry there. Those were good times and I have nothing but sweet memories . John and Stephany both had a beautiful gift for signing. I remember how Stephanie lit up when she signed " Victory in Jesus". John's victory is in Jesus. My heart is so heavy for Stephanie, Sarah and Seth. The peace comes in knowing John now resides with his Savior. God bless you all, I will continue to pray for you. “ Met John in 2006 when we both taught in Vacation Bible School at Fairview Baptist Church. He was so enthusiastic and interested in singing and working with the children.

It was a blessing also to sing in the adult choir together. When he sang and when he was asked to lead the choir and the worship, it was obvious how much he loved to sing praises to his Lord and Savior, Jesus Christ!

On Wednesday evenings we sat close-to-the-front, he in the pew behind me. Upon his return from his mission trip to India, he gave me a great big hug, thanking me for all the prayer support. Said he had felt them and God's Presence in all he did.

I am so thankful to the Lord for allowing me the privilege of having John's friendship and Christ-like example to encourage me spiritually.
