“ I am so sorry for the loss of your brother. I worked for your father at Provident Life and Accident for many, many years and met John when he occasionally came to see him - of course he was just a little boy.

You are in my prayers.

Sincerely,

“ My prayers and thoughts are with the family and Felicia, as well as faithful Prissy. John will be missed by many more than can ever write their names here in these pages. His fight was done with a strong face and big smile on the outside for all of us to see as he always would smile and say he was alright... I am sad to see a dear friend go, but knowing that John is no longer in pain brings a small comfort to our hearts with this loss. Ride safely on those roads above as you wait for us, my friend!##imported-begin##Mandi Spicer##imported-end##
